

How to calculate the film length:

① Measure the reel across as shown in the picture below:

② Get the length from the table below:

Reel diameter in inches	Total film length in feet
2-7/8	50
3-5/8	100
5	200
7	400
9-1/4	600
10-1/2	800
12-1/4	1200
13-11/16	1600
15	2000
15 with small hub	2300
